

**Make a difference in your community!**

## Executive Director Position Opening

The Executive Director is the Chief Executive of the Alzheimer Society of Washington (ASW) located in Bellingham and is the major spokesperson, interfacing between the organization and community. This position reports to and advises the Board of Directors in the achievement of the organization's philosophy, mission, strategy and its annual and long-term goals and objectives. The Executive Director ensures that the board and staff have sufficient and up-to-date information. The Executive Director makes decisions about focus and overall financial directions and oversees the day-to-day operations.

### Great Opportunity

The Alzheimer Society of Washington is seeking an innovative, experienced individual to lead the organization. While this is primarily a volunteer leadership position, all work-related expenses will be paid (mileage, workshop attendance, etc.). This position could be accomplished with less than full-time hours but requires an office presence and ability to attend various community/board events and meetings which may occur during the daytime, evening hours or weekends.

### Benefits

This position allows you an opportunity to:

- Reach people and families affected by Alzheimer's and other dementia's with support, knowledge and resources.
- Develop societal awareness and understanding of the overwhelming devastation dementia causes.
- Bring about improvement in the social and health systems serving those affected by dementia.
- Meet new people.
- Make a difference in your community.
- Expand current skills and learn new skills.
- Work with a great Board of Directors and staff.
